| Colour of Light             | White                                           |
| Light colour options        | CCT                                             |

|                        |                   |
|------------------------|-------------------|
| Luminous Flux (Lumen)  | 3360lm            |
| Lumen per watt         | 120               |
| IP-rating              | IP20              |
| Impact Protection (IK) | IK02 - 0.20 joule |
| Fixture Connection     | Push Terminal     |
| Finish of Reflector    | Frosted           |
| Power factor           | >0.90             |
| Product Type Category  | LED Panel         |

## Fixture Information

|                       |                                |
|-----------------------|--------------------------------|
| Mounting Method       | Recessed                       |
| Unified Glare Rating  | < 22 - For general areas       |
| Optical Cover         | PMMA (Polymethyl methacrylate) |
| Operating Temperature | -20 to +40                     |
| Colour of the Fixture | White                          |
| Housing               | Aluminium                      |

## Dimensions

|                |         |
|----------------|---------|
| LED panel size | 60x60cm |
| Length (mm)    | 595     |
| Width (mm)     | 595     |
| Height (mm)    | 34      |

## Why Budgetlight?

### Sensor Information

|                |                                                                                                                                  |                                                                                                                    |
